## *die Schatztruhe e.V.*

Lobuschstraße 9-11, 22765 Hamburg, phone: 040/390 85 61, email: [post@die-schatztruhe-ev.de](mailto:post@die-schatztruhe-ev.de)

We chose our name because our daycare should be a place where everyone is regarded as a treasure, especially the children.

### **Non-binding Registration for Our Waiting List**

You can register either by email using our attached form or by copying the information into an email in DIN A4 format.

Your child will then be registered on our non-binding waiting list. As soon as a place becomes available, we will contact you. Next, we will meet for a chat, and you will have the opportunity to get to know our daycare as well as the educators.

Afterwards, both you and our team have the chance to reflect on the visit and clarify any open questions. A positive decision will lead to a care contract and admission to Schatztruhe e.V.

#### **Please note:**

- You are applying for a place in a daycare with three mixed-age groups. We care for children from approximately 1 year and 4-6 months up to first grade school enrolment. Around 1.5 years, children generally start to become more independent from their parents, driven by curiosity. Only then is a child well placed in our mixed-age groups. The stability for your child and others depends on parents supporting our concept. In case you are certain that our concept does not match your expectations, you have other options in Hamburg.
- Please keep in mind that we are closed during the last three weeks of Hamburg summer vacation as well as between Christmas and New Year. Additionally, there are concept days on which no care services are provided.
- You are applying for a place that at least requires an 8-hour voucher or a payment corresponding to a voucher of that length. Unfortunately, we cannot operate otherwise because of high rental costs, vegetarian full-value meals, and tariff wages.
- Feel free to include additional information about yourself, such as your country of origin, interests, languages, professions. And especially: How you heard about us, what is important to you, whether your child attends a playgroup, etc.
- All information provided by you will be stored securely in locked cabinets and regularly professionally shredded.
- All entries are personal and serve solely to help us get to know each other.

Thank you.

**P.S.: We do not prioritize children by admission order. Instead, we consider the child's birth date, proximity to die Schatztruhe e.V., and compatibility with other children in our daycare.**
